

SPEND A DAY WITH TECHNOLOGY GURU

**LESLIE FISHER**

Technology for Effective Leaders

Sponsored by The SUNS Center

If you *currently use* technology to help you be more effective,  
OR

If you would *like to learn how to use* technology to help you be more effective...

**Then you don't want to miss this opportunity.**

Leslie Fisher is the founder of Fisher Technologies, Inc. Fisher Technologies, Inc. was created to help educators with their technology implementations and decisions. Fisher Technologies, Inc. is now a worldwide company specializing in Web Development, Web Tools as well as Digital Photography, Editing and Workflow.

Leslie has worked with hundreds of schools and thousands of educators to share how technology can make them more effective and efficient leaders, teachers and support staff. Leslie's dynamic presentation is geared to both technology novices and fluent users. Through hands-on demonstrations and examples, she shares how technology can make both our professional and personal lives easier and more fun.
